Mobile-Karrier HD series

A truly quality-built drum handler.

- ◆ Remarkable versatility ! Mobile-karrier raises, transports, rotates, tilts and drains fully loaded drums.
- ◆ It carries the full weight of the drum.
- ◆ Dual, fingertip operated locks secure the raised drum. It can lock a drum in vertical positioning to avoid spills or horizontal position for draining through a faucet. When unlocked, the drum may be tuened end-over-end to agitate contents or tipped and held manually at any angle.
- ◆ And it is very simple to move and steer on its 8" nylon or polyurethane roller bearing wheels and 4" swivel caster. A truly quality-built drum handler.
- ◆ It is shipped partly disassembled to save freight costs.
