Overall Size	(mm) 1430×985×1630	1430×985×1630	1430×985×1630	1430×985×1630	1430×985×1630
Wheel Dia.	(mm) 200	200	200	200	200
Balance Weight	(kg) 250	250	250	250	250
Net Weight	(kg) 662	662	662	662	662
Motor	(kw) 0.8	0.8	0.8	0.8	0.8
Battery	(V/Ah)	12/80			
Battery Charger	(V/A)	12/8			
Fully Charge Time	(h)	10			

Semi-electric Single Shop Crane **YLD** series

- ◆ Instead of a forklift to become a small mobile crane.
- ◆ Wide range of lifting angles, adjustable telescopic long arm.
- ◆ Suitable for areas where the forklift can't enter to operate, foldable legs, small package volume, convenient for transportation.

Note: The load attenuation curve must be considered during using to ensure safety.
