Roller	(mm)	Ø50×90 - 3pcs
	(mm)	Ø90×190 - 2pcs
Material	Nylon	
Platform	(mm)	847×200×134

Safety Gate *SG* series

- ◆ Customize your safety railings with self-closing steel gates for greater access protection to equipment and entry points.
- ◆ The Global Industrial™ Adjustable Safety Swing Gate with a 16" - 26" W opening enables added security for facilities in commercial, industrial and similar industries. Simply connect to the rails from the left or right with the included mounting hardware.
- ◆ Solid steel tubing for strong durability. Standard yellow finish provides high visibility near any rail and offers a clean look when mounted to rails of a similar color.
- ◆ Meets OSHA 1910.23a requirements.
- ◆ 1 Year Limited Warranty.
